I'll be there, as usual ;)

In regard to the citation policy, not the best news to share...

The City did make a change in the policy, however it is applicable only to residential areas- no effective change in the ordinance for trucks operating commercial districts. Food truck operators in commercial district will most likely continue to operate in their usual manner and consider a citation the cost of doing business. Unfortunately, it has been considerably more difficult in drafting an ordinance to regulate the activity in commercial districts that strikes a balance between all the competing interests. LAMC 80.73 is the ordinance used by officers to enforce violations.

Please let me know if you have any questions.

Best,

Jasmine

Thanks for the head's up. We'll let everyone know.

See you tomorrow at our Board meeting? Probably won't be very eventful. In March, I suspect we will have a dedicated Westwood Forward meeting.

Hey Andrew,

Just a heads up to let you know that a crane permit has been approved for this Saturday. See below for details:

This Saturday, 4 am to 12 noon. They will be deploying an electronic message board this evening, or early tomorrow morning, to start warning the motorist.

Full closure at 924 S. Westwood Bl. Only Northbound Westwood Bl., at Weyburn will be affected. Should be done earlier, but asked for 12 noon, in case they run into delays.

They have all the necessary noise variance letter for the night work, and approved traffic control plans.

Let me know if you have any questions!
